

Racibórz, 09.05.2023

Dear Guests,

It is my great pleasure to welcome you to our institution, University of Applied Sciences in Racibórz, and to our community. We are thrilled to have you here and to be a part of your journey as you pursue your academic, professional and personal goals.

The Erasmus+ Programme is an amazing opportunity not only for students but also for academic and administrative staff to expand their horizons and gain valuable experiences. The programme has been a pillar of international education and cultural exchange for decades, and we are proud to be a part of this global community. Your knowledge, experience, and passion for education will undoubtedly enrich our institution and the students we serve.

As an Erasmus+ beneficiaries, you bring a wealth of expertise in language, culture, and education. We look forward to working alongside you to create transformative learning experiences for our students, and to building meaningful connections across borders and cultures.

Our Academy is not a large institution, it is rather a small University. But it is very aptly inscribed in the local environment and actively affects the development of the region and the community living in it. Our role is to offer high-quality educational services.

The activity of our University is statutory embedded in rich academic traditions, based on such values as the pursuit of truth, respect for knowledge and skills, respect for human subjectivity, openness to new ideas, reliability in the dissemination of knowledge and skills, responsibility for the quality of teaching, research and expertise. Our University, through the continuous improvement of processes and organization, is a friendly and open place of work and development of the academic community.

Once again, welcome to our institution. We are excited to have you on board and cannot wait to see the positive impact that you will make on our community.

Faithfully Yours

*Rector of the University of Applied Sciences
in Racibórz
Dr Paweł Stróziak*
