ATTRACTIONS IN RACIBÓRZ

Piast Castle in Raciborz

https://www.zamekpiastowski.pl/

A castle with a rich history and a beautiful chapel. It hosts many events each year, including: Castle Ghost Night, the Intro Festival (a festival of electronic music and light) and the Castle Flower Market. Inside the castle, you can also see permanent and temporary exhibitions.

Arboretum and Mini Zoo in Racibórz

In addition to its beautiful gardens, the Racibórz Arboretum also features a free mini-zoo for animal lovers. There, you can see donkeys, goats, pheasants, peacocks, ducks, pigeons, rabbits, and many other animals. The arboretum hosts a variety of events, such as concerts, educational activities, and workshops.

ATTRACTIONS IN RACIBÓRZ

The Market Square in Racibórz

The Market Square in Racibórz is not only a characteristic landmark of the city, but also a venue for gatherings and cultural events. It regularly hosts a variety of community events, festivals, and fairs.
The Christmas and Easter markets are particularly popular.

European bison enclosure

The enclosure covers an area of over 10 hectares and was created specifically for European bison. It is currently home to six animals, which can be viewed daily from 7:00 a.m. to 6:00 p.m. The facility also features a playground for younger visitors.

SOWA in Racibórz

SOWA, which stands for Zone of Discovery, Imagination, and Activity, is an educational and interactive space. It encourages not only independent experimentation and the development of creativity, but also exploring the world through play and experience.
This attraction is designed for both children and adults.

STUDENT DORMITORY AND LIBRARY

Student Dormitory

The Student Dormitory is located in the close vicinity of the university's academic, sports, and recreational facilities, including a gym, sports halls, the main building of the Academy of Applied Sciences, and the stadium. Residents have access to parking lots located right next to the Student Dormitory. The facility offers single, double, and triple rooms in a "modular" layout—two-room living modules that have their own bathroom and common area.
Residents of the Student Residence have access to wireless internet.

ANS Library in Racibórz

The ANS Library in Racibórz is constantly expanding and adapting to the contemporary needs of its readers, and is currently the most modern academic library in the county. Users have access to both traditional library collections and modern electronic resources, such as Ibuk Libra, Legalis Administracja, and the Ebookpoint BIBLIO Multimedia Digital Library. An additional convenience is the ability to borrow.
